IT'S BITTER!

YOU'VE NEVER HAD COFFEE BEFORE?

WHAT'S THIS?

噗

THEN LET ME ORDER FRUIT JUICE FOR YOU.

A stranger sitting in front of me is...

totally a weirdo...

SO, I'VE BEEN TRYING TO LOOK FOR HIM

COUNTLESS NUMBER OF TIMES...

!

咚一跳

MING XUE?

countless number of times....

WHY
ARE YOU HERE?

HAHA
DID I
SURPRISE YOU?

YOU'RE
READING
THESE
BOOKS?

古老密码

神秘文字

THEY'RE
STRANGE.

.....

MY
PERSONAL
PREFERENCE...

贴上

countless number of times....

COLD!

HAHAHA!

countless number of times...

跳起

HA!

!

HEHE.

Slowly,
I found out...
to him, I don't find
him weird anymore...

CHEESE!

咔擦

Zero!

Zero!

噗。

WHAT?

WHY ARE YOU WEARING THAT?

THE MAGAZINE SAYS BOYS LIKE IT.

TA-DA!

I... I LIKE IT!

BUT YOU CAN'T WEAR IT FOR OTHER PEOPLE TO SEE! OKAY?

ZERO, YOUR FACE IS ALL RED.

MING XUE,

TODAY... IS MY BIRTHDAY.

BIRTHDAY?

WHAT'S THAT?

IT'S THE ANNIVERSARY OF THE DAY ON WHICH A PERSON WAS BORN.

.....

I DON'T KNOW MY BIRTHDAY... I DON'T HAVE MY PARENTS EITHER...

MING XUE,

GIVE ME YOUR HAND.

戴上

WHAT'S THIS?

IT'S... THE SYMBOL THAT YOU ONLY BELONG TO ME.

FROM NOW ON,

This is... the thing that's called as "love"....

YOUR BIRTHDAY IS MY BIRTHDAY.

Is it love.

飒

UGH...

UGH...

Is Zero having a dream...

What kind of dream?

碰触

NO!!

I'M SCORPIO ALLUSE...

THAT STAR IS FALLING...

MY HEART IS CONNECTED TO LADY ARTEMIS...

HUMANS....

I WANT TO PROTECT LADY ARTEMIS!

SCORPIO ALLUSE...

This is...

Zero is one of the stars to protecting the Goddess of the Moon...he's Scorpio's reincarnation?!

We're enemies....

My heart hurts like the broken pieces...

But I don't have the thing's called as "tears"...

Because I'm not human...

沙

沙

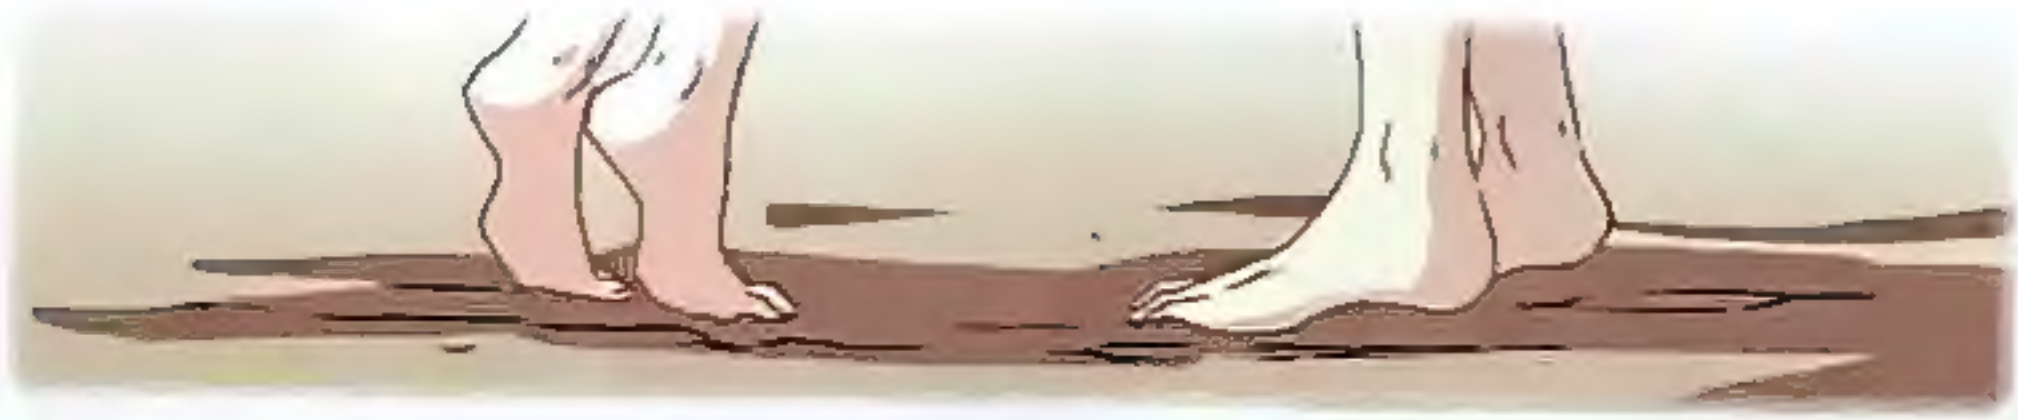
ZERO, I'LL HELP YOU TO BREAK THE CURSE.

!

HOW DID YOU KNOW?!

I LOVE YOU,

THAT'S WHY I WANT US TO TRY OUR BEST.



From there onwards...

The more closer, to the truth, the more I'm getting hesitant...

The twelve curses of the twelve stars are the twelve chains imprioning Hecate,

With my strength, basically, there's none...

On top of that... Once Hecate awakes, we're definitely going to stand on two different sides...

If the twelve stars are not getting killed by Hecate and Hades...

then I'll disappear when Artemis awakes...

Perhaps...

I should beg Hades

beg him to spare Zero's life...

摘下

If I don't come back,
please forget about me.

Ming Xue.
